

## Apprentice Nurses in Germany

Recruitment day

Porta Futuro, Rome - 26<sup>th</sup> November 2019

### The employer:

The employer Städtische Kliniken Neuss - Lukaskrankenhaus GmbH is a public healthcare complex which cooperates with the University of Düsseldorf. It is located in the region of North Rhine-Westphalia, 15 minutes from Düsseldorf and 30 minutes from Cologne. It has more than 1400 employees working in 11 clinics and is an officially recognized training company for the profession of Nurse.

### About the job:

Complete German vocational training with the possibility to obtain further permanent job in the hospital as professional Nurse.

German vocational training is divided into 3 years of training. Each year consists of a theoretical and a practical part. The theoretical part is taught in vocational schools. The practical training is taught in the hospital. After 1.5 years, there is a great interim exam. After 3 years there is the final exam. After passing the exam, apprentices receive the German professional title Health and Nursing (GESUNDHEITS UND KRANKENPFLEGER). Apprentices are regularly paid and fully insured.
