

## Job vacancy: Service Desk Specialist with German and English

**Number of available position:** 10

### **General information:**

Location: **Prague, Czech Republic**

Form of employment: **full time employment contract**

Duration: **permanent**

Gross monthly wage (Euro): **from 1.500**

### **Job description:**

As a Service Desk Specialist you will handle incoming calls from employees working at larger companies. You will handle incidents and service requests ranging from end user logon problems to functional support to business units. Your ambition will be to get the problem solved within the first contact. The support is provided in various languages for our customers' global organizations, so you speak minimum one of these languages: German & English. As part of the Service Support Center your IT support and analytical skills will be highly valued since we tend to be confronted with complex customer problems. Co-workers will regard you as a person who is outgoing and working well in a team and you will share your professional knowledge and experience with them naturally. You strive to provide the best service and have a strong wish to improve and develop your personal and professional skills. A major part of your responsibility will be to communicate support related solutions to different audiences from technical subject matter experts to executives. Employee benefits: the company offers an attractive salary package according to your experience and seniority. Your dedication and results are additionally rewarded with personal performance bonuses. They also offer educational courses & training opportunities to learn and grow within a company or in other areas like soft skills, leadership, etc. Holidays 5 weeks, sick days, notebook, meal vouchers, MultiSport card enabling free entry to over 250 sport facilities in Prague, cafeteria, language courses of Czech for foreigners, fresh fruit and tea/coffee in the office, corporate events (Friday breakfasts, Friday bars, Kick-off party, Summer party).
